The following steps will help you through the process of becoming registered through Alliance of Therapy Dogs (ATD), (formerly known as Therapy Dogs, Inc.) ATD is a third party organization (not affiliated with Gabriel's Angels) who registers dogs nationwide for animal therapy work. All Gabriel's Angels Pet Therapy Teams must be ATD or Pet Partners registered prior to volunteering in any of our partnering facilities. ** Please note: ATD only registers canines.*

1. Visit the Alliance of Therapy Dogs (ATD) website at www.therapydogs.com or www.allianceoftherapydogs.com. Click on the "How to Become a Member" link. **Carefully review the following bulleted items as listed on the website:**
 - Step 1: Contact a tester/observer to schedule your evaluation, consisting of 3-4 individual evaluations.
 - Step 2: Obtain negative fecal exam & copy of current rabies vaccination.
 - Step 3: Application Materials on Website.
 - Step 4: Team Evaluation.
 - Step 5: Registration Packet & Fee.
2. Once you're ready, contact an ATD Evaluator to set up an appointment to begin the evaluation process for you and your pet.
3. Once you have passed your evaluations and completed your paperwork, notify Gabriel's Angels Volunteer Department at (602) 266-0875 to schedule an Orientation. Make sure and bring a copy of your ATD ID card for your file.
4. Please do NOT send information to us (with the exception of third party references) until you have received your therapy registration card and are ready to schedule an orientation with Gabriel's Angels.

Projected Therapy Team Costs (subject to change):

- ATD test/evaluation is free.
- ATD initial registration is \$40 (30 for team and 10 for new member processing).
- Thereafter the renewal fee is \$30 annually.
- Please contact ATD directly if you have any questions or concerns about costs/expenses.
