

Pet Partners Registration

Pet Partners (Pet Partners)
875 124th Avenue NE, Suite 101
Bellevue, WA 98005

425-679.5500 (Voice)
425-235-1076 (Fax)
Mon-Fri: 8:30am – 4:30pm PST

The following steps will help you through the process of becoming registered through Pet Partners. Pet Partners is a third party organization (not affiliated with Gabriel's Angels) who registers animals nationwide for animal therapy work. All Gabriel's Angels Pet Therapy Teams must be Pet Partners or Alliance of Therapy Dogs registered prior to volunteering in any of our partnering facilities.

1. Visit the Pet Partners website at www.petpartners.org. Click on the "Volunteer with your Pet" tab. Select the "Pet Partners" item & then select "Become a Pet Partner". **Carefully review ALL the information in the website, including these steps:**
 - Prerequisites
 - Step 1: Pet Partners Team Training Course. *Please note: Pet Partners has initiated an online training procedure that is different from the home study course that previously had been utilized. Please review the material on the website to obtain information on the process.*
 - Step 2: Health Screening for Your Pet.
 - Step 3: Team Evaluation.
 - Step 4: Registration Packet & Fee.
2. Once you're ready, contact a Pet Partners evaluator to set up an appointment for an evaluation.
3. Once you have passed your evaluation and completed your paperwork, notify Gabriel's Angels Volunteer Department at (602) 266-0875 to schedule an Orientation. Make sure and bring a copy of your Pet Partners card for your file.
4. Please do NOT send information to us (with the exception of third party references) until you have received your therapy registration card and are ready to schedule an orientation with Gabriel's Angels.

Projected Therapy Team Costs (subject to change):

- Pet Partners test/evaluation may be free or cost approximately \$25 – ask the evaluator.
- Online training course \$70.
- Registration with Pet Partners is \$95 every two years.
- Please contact Pet Partners directly if you have any questions or concerns about costs/expenses.
