

7 Nights/8 Days in either Hawaii or Mexico

This is a timeshare with flexibility at either location. Reservations can be made 3 months in advance starting January 1, 2024 and must be used by December 31, 2024.

Kauai - While at home on Kauai's pristine North Shore amid an endless array of area activities, The Westin Princeville Ocean Resort Villas offers a collection of amenities to keep you comfortable and entertained without ever having to leave the resort. Take a nature walk around the resort, refresh in the sparkling pools, or restore mind and body with a workout and soothing spa treatment. Choose one or try them all and give new meaning to living well.

For golfers, this resort is almost walking distance to **Princeville Makai Golf Course**. It is truly one of the world's most stunning golf and resort locations! Since undergoing an extensive \$6 million renovation by Robert Trent Jones Jr. (completed in early 2010) the Makai Course has soared to the top of almost all of golf's respected rankings imaginable. Including being ranked amongst the Top 100 Greatest Public Golf Courses in America, by Golf Digest, within the Top 3 Best Courses You Can Play in Hawaii by GolfWeek and being named to the list of America's "Top 5 Great Golf Settings" in the world by National Geographic Traveler.

Los Cabos - Perched on gentle cliffs overlooking the Sea of Cortez, this magnificent architectural landmark is also a cherished vacation retreat. Play in refreshing swimming pools, recharge at Spa Otomí, relax on the gorgeous private beach or take in local culture.

Located in the southernmost tip of the state of Baja California Sur, Los Cabos consists of two main areas: **Cabo San Lucas** and **San José del Cabo**.

CABO SAN LUCAS This tourist-friendly town is located on the tip of the Baja Peninsula and is full of entertainment for every age. The Sea of Cortez and the Pacific Ocean meet at Land's End, hosting many beautiful rock formations, including the famous Cabo Arch. You can also find Medano Beach, the liveliest beach in the Los Cabos area, an impressive marina, and countless restaurants and bars that keep the town alive both day and night.

SAN JOSÉ DEL CABO Walking around downtown San José lets you experience a traditional Mexican town. Find yourself surrounded by colorful buildings and quaint cobblestone streets that lead to the town's zocalo (main plaza). Over the years, San José has become an artistic and cultural center, with numerous fine art galleries in its downtown art district, as well as world-class restaurants. San José also has a beautiful beach, perfect for horseback rides to explore the estuary that is home to many different bird species.
