WHO WE SERVE

Gabriel's Angels is one of the few nonprofit organizations that deliver healing Pet Therapy services to vulnerable children throughout Arizona. In this last fiscal year, we served 2,145 children in our structured programs with 109 registered Pet Therapy Teams and 16 Helping Hand Volunteers at 74 locations statewide. In this upcoming year, our goal is to reach even more children in need.

Pet Therapy teams, consisting of an owner and their pet, offer unconditional love, teach empathy, respect, confidence and other core behaviors that children might not learn through traditional channels. Pet Therapy activities are goal-related visits that improve the quality of the child's life through the power of the human-animal bond. Pet Therapy Teams visit partner agencies, some of which are Title I schools, after school programs, domestic violence and homeless shelters, group homes and behavior health facilities, all in an effort to intervene in children's lives and enhance their social and emotional development.

OUR MISSION: Through the life-changing power of Pet Therapy, Gabriel's Angels enhances the social and emotional development of vulnerable children.

7 core behaviors taught on our visits: attachment, self-regulation, affiliation, respect, tolerance, empathy, confidence
