Gabriel's Angels
Pets Helping Kids®

These nametags are great looking and functional!

How to make:

1. Using photo editing program of choice and dog's digital photo, duplicate 4 times and arrange on 8 ½ x 11 surface or take 4 trading cards and arrange on 8 ½ x 11 paper
2. Make as many copies as needed
3. Laminate (Kinko's)
4. Cut apart using a paper cutter (Kinko's will cut for a fee) Snip the corners ever so slightly to reduce the sharpness
5. Use a hole punch and parachute cord (from Michaels, Ace Hardware or like store) to compete the nametag
